

MID-COAST TROLLEY

MID-COAST TROLLEY CONSTRUCTION UPDATE

SUMMER 2020

DAYTIME CONSTRUCTION ACTIVITIES ON GENESEE AVENUE AND NOBEL DRIVE

Beginning Monday, June 1 and continuing through Friday, June 5, crews will perform underground electrical operations at the intersection of Genesee Avenue and Nobel Drive. Additionally, crews will continue construction activities for the Trolley bridge and the future UTC Trolley Station.

What to Expect

- Typical work hours will be 8 a.m. to 5 p.m. each day
- Full closures will be in place on northbound Genesee Avenue from Nobel Drive to Esplanade Court
- Full closures will be in place on eastbound and westbound Nobel Drive from Genesee Avenue to Lombard Place
- As work progresses, lanes may be opened to accommodate traffic on Genesee Avenue and Nobel Drive
- Please expect noise as this work is completed
- Residential access will be maintained at all times
- Pedestrians should follow signage in the area as some crosswalks will be closed during this time
- Please follow signage and use caution when traveling in the area

Construction schedules are subject to change due to weather, equipment, and other issues. Check KeepSanDiegoMoving.com/MidCoastNotices for regular schedule updates.

Update on Construction During COVID-19 Pandemic

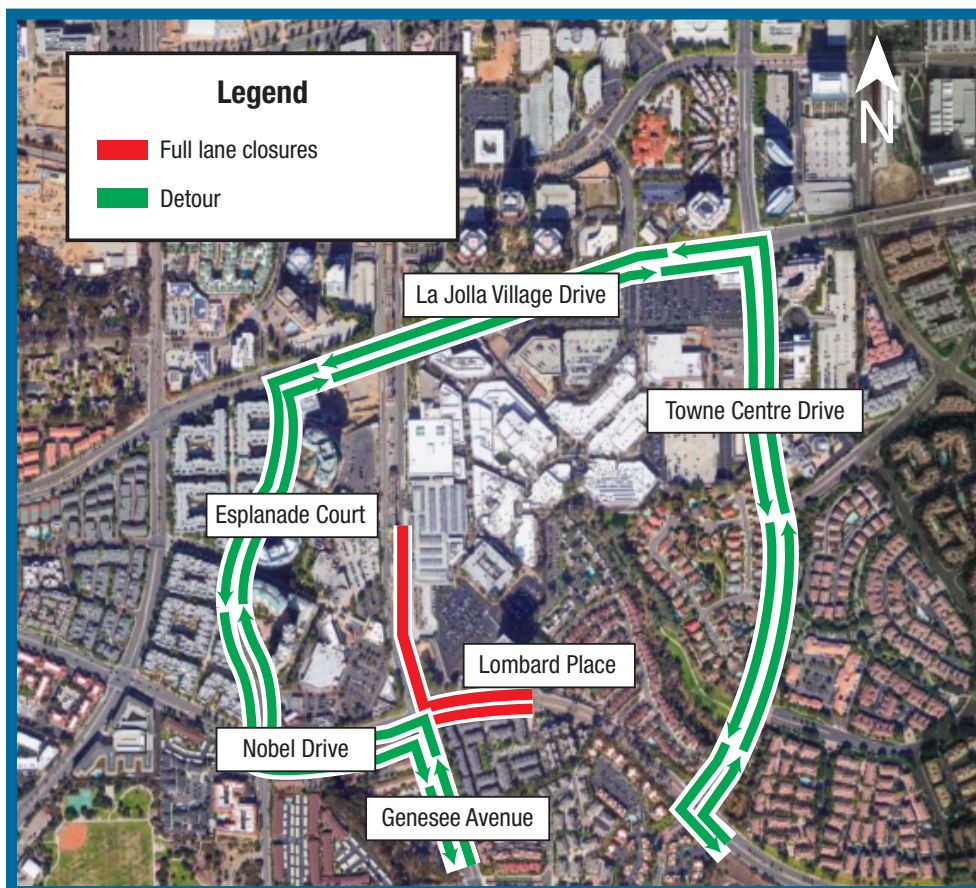

The government has deemed public works construction activities to be essential, so SANDAG is working to keep active construction projects moving while prioritizing the health and safety of its partners, contractors, and communities. For additional information, please visit sandag.org/COVID-19.

About the Project

The Mid-Coast Trolley project will extend UC San Diego Blue Line Trolley service from the Santa Fe Depot in Downtown San Diego to the University community, serving major activity centers such as Mission Bay, the VA Medical Center, UC San Diego, and University Towne Centre. Nine new stations will be constructed. Major construction work began in 2016, with service anticipated to begin in late 2021.
