

MID-COAST TROLLEY

# MID-COAST TROLLEY CONSTRUCTION UPDATE

FALL 2019

## OVERNIGHT CLOSURES OF LA JOLLA VILLAGE DRIVE OVERPASS

On October 14, temporary overnight closures will be in effect on the La Jolla Village Drive overpass spanning Interstate 5 (I-5). During the closures, crews will be performing construction activities for the Trolley overcrossing, the section of the Trolley bridge that crosses over La Jolla Village Drive.

Motorists should plan to take alternate routes to avoid potential congestion.

### The following closures will be in place:

- Full closure of eastbound and westbound lanes on the La Jolla Village Drive I-5 overpass
- Closure of northbound and southbound on-ramps from La Jolla Village Drive to I-5
- Work and closure hours will be from 10 p.m. to 5 a.m.

**Construction schedules are subject to change.**

### About the Project

The Mid-Coast Trolley project will extend Trolley service from Old Town Transit Center to the University community, serving major activity centers such as Mission Bay, the VA Medical Center, UC San Diego, and University Towne Centre. Nine new stations will be constructed. Major construction work began in 2016, with service anticipated to begin in late 2021.
