

MID-COAST TROLLEY

MID-COAST TROLLEY CONSTRUCTION UPDATE

NOVEMBER 2019

OVERNIGHT CLOSURES OF LA JOLLA VILLAGE DRIVE OVERPASS

On Monday, November 25, temporary overnight closures will be in effect on the La Jolla Village Drive overpass spanning Interstate 5 (I-5). During the closures, crews will be pouring concrete for the section of the Trolley bridge that crosses over La Jolla Village Drive.

Motorists should plan to take alternate routes to avoid potential congestion.

The following closures will be in place:

- Full closure of eastbound and westbound lanes on the La Jolla Village Drive I-5 overpass
- Closure of northbound and southbound loop on-ramps from La Jolla Village Drive to I-5
- Work and closure hours will be from 10 p.m. to 5 a.m.

Construction schedules are subject to change.

About the Project

The Mid-Coast Trolley project will extend UC San Diego Blue Line Trolley service from the Santa Fe Depot in Downtown San Diego to the University community, serving major activity centers such as Mission Bay, the VA Medical Center, UC San Diego, and University Towne Centre. Nine new stations will be constructed. Major construction work began in 2016, with service anticipated to begin in late 2021.
