

MID-COAST TROLLEY

# MID-COAST TROLLEY CONSTRUCTION UPDATE

JUNE 2020

## CLOSURES OF LA JOLLA VILLAGE DRIVE OVERPASS

On Thursday, June 11, temporary overnight closures will be in effect on the La Jolla Village Drive overpass spanning Interstate 5 (I-5). During the closures, crews will be performing exterior finish work on the Trolley bridge that crosses over La Jolla Village Drive.

Motorists should plan to take alternate routes to avoid potential congestion.

### What to Expect:

- Full closure of westbound lanes on the La Jolla Village Drive I-5 overpass
- Lane reductions of the eastbound La Jolla Village Drive I-5 overpass
- Full closure of the on-ramps to southbound I-5 from westbound and eastbound La Jolla Village Drive
- Work and closures hours will be from 9 p.m. to 5 a.m.

Construction schedules are subject to change.

### Update on Construction During COVID-19 Pandemic

The government has deemed public works construction activities to be essential, so SANDAG is working to keep active construction projects moving while prioritizing the health and safety of its partners, contractors, and communities. For additional information, please visit [sandag.org/COVID-19](http://sandag.org/COVID-19).

## About the Project

The Mid-Coast Trolley project will extend UC San Diego Blue Line Trolley service from the Santa Fe Depot in Downtown San Diego to the University community, serving major activity centers such as Mission Bay, the VA Medical Center, UC San Diego, and University Towne Centre. Nine new stations will be constructed. Major construction work began in 2016, with service anticipated to begin in late 2021.
