

MID-COAST TROLLEY

MID-COAST TROLLEY CONSTRUCTION UPDATE

FALL 2020

CONSTRUCTION ACTIVITIES FOR TROLLEY PARKING STRUCTURE AT LA JOLLA VILLAGE SQUARE

Beginning Wednesday, October 21 and continuing for approximately one month, crews will reconfigure the La Jolla Village Square parking areas adjacent to the future Nobel Drive Trolley Station parking structure. This work will support the future use of the structure.

Once complete, the parking structure will provide spaces for transit patrons and retail customers and will include a direct walkway to the Nobel Drive Trolley Station.

What to Expect

- Typical work hours will be Sunday through Thursday, from 10 p.m. to 7 a.m. each night; occasional weekend work may be required
- Construction activities will include the demolition and replacement of curbs and planters, paving, striping, signage installation, and cleanup operations
- Please expect noise as this work is completed
- Access to businesses, the mall entrance, and the underground parking garage will be maintained at all times

Construction schedules are subject to change due to weather, equipment, and other issues. Check [KeepSanDiegoMoving.com/MidCoastNotices](https://www.KeepSanDiegoMoving.com/MidCoastNotices) for regular schedule updates.

Update on Construction During COVID-19 Pandemic

The government has deemed public works construction activities to be essential, so SANDAG is working to keep active construction projects moving while prioritizing the health and safety of its partners, contractors, and communities. About the Project

The Mid-Coast Trolley project will extend UC San Diego Blue Line Trolley service from the Santa Fe Depot in Downtown San Diego to the University community, serving major activity centers such as Mission Bay, the VA Medical Center, UC San Diego, and University Towne Centre. Nine new stations will be constructed. Major construction work began in 2016, with service anticipated to begin in late 2021.
