

MID-COAST TROLLEY

MID-COAST TROLLEY CONSTRUCTION UPDATE

JANUARY 2020

CONSTRUCTION OF TROLLEY PARKING STRUCTURE AT LA JOLLA VILLAGE SQUARE

On Monday, January 20, construction activities for the Nobel Drive Trolley Station parking structure will begin in a section of the La Jolla Village Square parking area. Crews will be installing fencing to designate the construction area in addition to conducting grading and excavation work.

Once complete, the parking structure will provide spaces for transit patrons and retail customers and will include a direct walkway to the Nobel Drive Trolley Station. The structure is anticipated to be completed by November 2020.

What to Expect

- Typical work hours will be Monday through Friday from 7 a.m. to 5 p.m. but may vary depending on the type of construction activity scheduled. Nighttime and weekend work may be required throughout construction.
- Construction activities will take place within the fenced work area.
- Access to businesses and shops will be maintained at all times.

Construction schedules are subject to change due to weather, equipment, and other issues. Check KeepSanDiegoMoving.com/MidCoastNotices for regular schedule updates.

About the Project

The Mid-Coast Trolley project will extend UC San Diego Blue Line Trolley service from the Santa Fe Depot in Downtown San Diego to the University community, serving major activity centers such as Mission Bay, the VA Medical Center, UC San Diego, and University Towne Centre. Nine new stations will be constructed. Major construction work began in 2016, with service anticipated to begin in late 2021.
