

MID-COAST TROLLEY

MID-COAST TROLLEY CONSTRUCTION UPDATE

APRIL 2020

CONSTRUCTION OF TROLLEY PARKING STRUCTURE AT LA JOLLA VILLAGE SQUARE

Beginning Monday, April 6, construction activities for the future Nobel Drive Trolley Station parking structure will resume in a section of the La Jolla Village Square parking area. Over the next several weeks, crews will conduct excavation and field work to prepare the foundation for construction of the structure.

Once complete, the parking structure will provide spaces for transit patrons and retail customers and will include a direct walkway to the Nobel Drive Trolley Station. The structure is anticipated to be completed in Fall 2020.

What to Expect

- At this time, work hours will be Monday through Saturday from 7 a.m. to 5 p.m. As construction progresses, work hours may vary depending on the type of construction activity scheduled and nighttime work may be required.
- Construction activities will take place within the fenced work area.
- Access to businesses and shops will be maintained at all times.

Construction schedules are subject to change due to weather, equipment, and other issues. Check KeepSanDiegoMoving.com/MidCoastNotices for regular schedule updates.

Update on Construction During COVID-19 Pandemic

The government has deemed public works construction activities to be essential, so SANDAG is working to keep active construction projects moving while prioritizing the health and safety of its partners, contractors, and communities. For additional information, please visit sandag.org/COVID-19.

About the Project

The Mid-Coast Trolley project will extend UC San Diego Blue Line Trolley service from the Santa Fe Depot in Downtown San Diego to the University community, serving major activity centers such as Mission Bay, the VA Medical Center, UC San Diego, and University Towne Centre. Nine new stations will be constructed. Major construction work began in 2016, with service anticipated to begin in late 2021.
