

MID-COAST TROLLEY

MID-COAST TROLLEY CONSTRUCTION UPDATE

FALL 2019

OVERNIGHT CLOSURES OF I-5

On Monday, November 18, a full closure of northbound Interstate 5 (I-5) lanes will be in place as crews pour concrete to form the Trolley overcrossing south of Nobel Drive. Lane reductions on southbound I-5 will also be in place as crews perform this work.

Motorists should plan to take alternate routes to avoid potential congestion.

The following closures and lane reductions will be in place:

- Lane reductions will be in place on southbound I-5 from La Jolla Village Drive to Gilman Drive/La Jolla Colony Drive. Southbound I-5 will be reduced to two lanes of traffic from 9 p.m. to 5 a.m.
- Full closure of northbound I-5 lanes from State Route 52 (SR 52) to La Jolla Village Drive from 11 p.m. to 5 a.m.
- Please use caution when traveling in the area and follow the detour routes.

Construction schedules are subject to change.

About the Project

The Mid-Coast Trolley project will extend Trolley service from Old Town Transit Center to the University community, serving major activity centers such as Mission Bay, the VA Medical Center, UC San Diego, and University Towne Centre. Nine new stations will be constructed. Major construction work began in 2016, with service anticipated to begin in late 2021.
