

MID-COAST TROLLEY

# MID-COAST TROLLEY CONSTRUCTION UPDATE

JANUARY 2021

## UPCOMING FULL CLOSURES OF LA JOLLA VILLAGE DRIVE

Beginning the week of Sunday, January 31 and continuing for approximately two weeks, full closures will be in place on the eastbound and westbound lanes of La Jolla Village Drive. During the closures, SDG&E crews will perform underground electrical activities. The first week of full closures will begin on the westbound lanes of La Jolla Village Drive and the following week, there will be full closures in place on the eastbound lanes of the roadway.

### What to Expect:

- Beginning Sunday, January 31, full closures will be in place on westbound La Jolla Village Drive from Genesee Avenue to Regents Garden Row
- Beginning Sunday, February 7, full closures will be in place on eastbound La Jolla Village Drive from Costa Verde Boulevard to Genesee Avenue
- As work progresses, crews may move to the eastbound lanes of La Jolla Village Drive during the week of January 31
- Work and closure hours will be Sundays through Thursdays, from 10 p.m. to 5 a.m. each night
- Please use caution while traveling in the area and follow signage

**Construction schedules are subject to change.**

### Update on Construction During COVID-19 Pandemic

The government has deemed public works construction activities to be essential, so SANDAG is working to keep active construction projects moving while prioritizing the health and safety of its partners, contractors, and communities. For additional information, please visit [sandag.org/COVID-19](http://sandag.org/COVID-19).

## About the Project

The Mid-Coast Trolley project will extend UC San Diego Blue Line Trolley service from the Santa Fe Depot in Downtown San Diego to the University community, serving major activity centers such as Mission Bay, the VA Medical Center, UC San Diego, and University Towne Centre. Nine new stations will be constructed. Major construction work began in 2016, with service anticipated to begin in late 2021.
