

MID-COAST TROLLEY

MID-COAST TROLLEY CONSTRUCTION UPDATE

SUMMER 2019

UPCOMING OVERNIGHT CLOSURES OF I-5

This summer, a series of temporary overnight closures will be in effect on Interstate 5 for crews to remove falsework from the Trolley overcrossing at Voigt Drive and install falsework at the Trolley overcrossing south of Nobel Drive.

Closures on northbound I-5 lanes will begin on June 18, and will continue until June 28.

Motorists should plan to take alternate routes to avoid potential congestion, as delays are expected during this closure.

The following closures will be in place:

Beginning Tuesday, June 18, through Thursday, June 20:

- Full closure of northbound lanes from State Route 52 (SR 52) to Genesee Avenue.
- Work and closure hours will be from 9:30 p.m. to 5 a.m. each night.

Beginning Sunday, June 23, through Thursday, June 27:

- Full closure of northbound lanes from SR 52 to Genesee Avenue.
- Work and closure hours will be from 9:30 p.m. to 5 a.m. each night.

Construction schedules are subject to change.

About the Project

The Mid-Coast Trolley project will extend Trolley service from Old Town Transit Center to the University community, serving major activity centers such as Mission Bay, the VA Medical Center, UC San Diego, and University Towne Centre. Nine new stations will be constructed. Major construction work began in 2016, with service anticipated to begin in late 2021.
