

MID-COAST TROLLEY

MID-COAST TROLLEY CONSTRUCTION UPDATE

DECEMBER 2020

FULL CLOSURE OF REGENTS ROAD

Beginning Sunday, December 20 and continuing through Tuesday, December 22, a full closure of Regents Road will be in place between Genesee Avenue and Health Sciences Drive. During the closure, crews will demolish the roadway and pour concrete to remove and replace a cross gutter. Concrete cross gutters are installed at the intersection of two roadways to help maintain drainage.

What to Expect

- Full closure of northbound and southbound lanes on Regents Road between Genesee Avenue and Health Sciences Drive
- Lane reductions will be in place on northbound Regents Road between Executive Drive and Health Sciences Drive; through traffic access will be maintained
- Work and closure hours will be from 8 p.m. on Sunday through 1 p.m. on Tuesday
- Detour routes and signage will be in place; please heed all traffic signs and use caution when traveling near the work area

Construction schedules are subject to change.

Update on Construction During COVID-19 Pandemic

The government has deemed public works construction activities to be essential, so SANDAG is working to keep active construction projects moving while prioritizing the health and safety of its partners, contractors, and communities. For additional information, please visit sandag.org/COVID-19.

About the Mid-Coast Trolley Project

The Mid-Coast Trolley project will extend UC San Diego Blue Line Trolley service from the Santa Fe Depot in Downtown San Diego to the University community, serving major activity centers such as Mission Bay, the VA Medical Center, UC San Diego, and University Towne Centre. Nine new stations will be constructed. Major construction work began in 2016, with service anticipated to begin in late 2021.
