

MID-COAST TROLLEY

# MID-COAST TROLLEY CONSTRUCTION UPDATE

SPRING 2019

## Morena Boulevard Lane Closures

On May 1 and May 2, a full, nighttime closure of northbound and southbound lanes on W. Morena Boulevard will be in effect from the northern W. Morena Boulevard/Morena Boulevard junction to Vega Street. The closure will accommodate utility work for the Mid-Coast Trolley project.

### What to Expect

- Work and closure hours will be in effect from 9 p.m. to 5 a.m., each night.
- Motorists should use Morena Boulevard to detour the work area and access businesses along W. Morena Boulevard.
- Please follow all posted detour signs and use caution when driving near the work area.

**Construction schedules may change with very little notice.**

### About the Project

The Mid-Coast Trolley project will extend Trolley service from Old Town Transit Center to the University community, serving major activity centers such as Mission Bay, the VA Medical Center, UC San Diego, and University Towne Centre. Nine new stations will be constructed. Major construction work began in 2016, with service anticipated to begin in late 2021.
