

MID-COAST TROLLEY

MID-COAST TROLLEY CONSTRUCTION UPDATE

SEPTEMBER 2019

MORENA BOULEVARD LANE CLOSURES

The closures originally scheduled to begin on Monday, September 16, have been postponed to begin the following week. Overnight closures of southbound Morena Boulevard will now begin on Monday, September 23, and will continue through Thursday, September 26. The closures will be in place from Gesner Street to Ingulf Street, to accommodate concrete pours for the platform at the future Clairemont Drive Trolley station.

What to Expect

- Work hours and closures will be in effect from 9 p.m. to 5 a.m. each night.
- Northbound Morena Boulevard will remain open.
- Traffic controls will be in place.
- Please follow the detour signs and use caution when driving near the work area.
- The use of concrete trucks may cause moderate noise levels.

Please note, construction schedules may change with very little notice.

About the Project

The Mid-Coast Trolley project will extend Trolley service from Old Town Transit Center to the University community, serving major activity centers such as Mission Bay, the VA Medical Center, UC San Diego, and University Towne Centre. Nine new stations will be constructed. Major construction work began in 2016, with service anticipated to begin in late 2021.
