

MID-COAST TROLLEY

MID-COAST TROLLEY CONSTRUCTION UPDATE

APRIL 2020

FULL CLOSURES OF GENESEE AVENUE FOR TROLLEY STATION CONSTRUCTION

Rescheduled to begin Monday, April 13, a series of nighttime full closures will go into effect on Genesee Avenue for crews to remove falsework—or temporary support structures—from the Trolley bridge.

Traffic controls and detour routes will be posted. Motorists should take alternate routes to avoid potential congestion. Please heed all traffic signs and use caution when traveling near the work area.

What to Expect:

Beginning Monday, April 13 through Thursday, April 16, and continuing Sunday, April 19 through Thursday, April 23:

- Full closure of southbound Genesee Avenue between La Jolla Village Drive and Nobel Drive from 8 p.m. to 5 a.m. each night
- Full closure of northbound Genesee Avenue between Nobel Drive and La Jolla Village Drive from 9 p.m. to 5 a.m. each night

Construction schedules are subject to change.

Update on Construction During COVID-19 Pandemic

The government has deemed public works construction activities to be essential, so SANDAG is working to keep active construction projects moving while prioritizing the health and safety of its partners, contractors, and communities. For additional information, please visit sandag.org/COVID-19.

About the Project

The Mid-Coast Trolley project will extend UC San Diego Blue Line Trolley service from the Santa Fe Depot in Downtown San Diego to the University community, serving major activity centers such as Mission Bay, the VA Medical Center, UC San Diego, and University Towne Centre. Nine new stations will be constructed. Major construction work began in 2016, with service anticipated to begin in late 2021.
