

The list below shows planned closures and detours as part of highway, rail, bike, pedestrian, and lagoon improvement projects. Detour signs will be placed, as needed, to assist motorists through closures. Please note, these closures are subject to change.

Week of January 17

HIGHWAY

- Residents and motorists should expect intermittent nighttime construction noise, lane closures, and ramp closures along **I-5** between **Lomas Santa Fe Drive** in Solana Beach and **Palomar Airport Road** in Carlsbad from Sunday, January 17, through Thursday, January 21, from 9 p.m. – 5 a.m. for concrete barrier (k-rail) repositioning, vegetation removal, freeway lane striping, concrete paving, drainage installation, and maintenance.
- Residents and motorists should expect intermittent nighttime construction noise, lane closures, and ramp closures along **Manchester Avenue** at **I-5** from Sunday, January 17, through Thursday, January 21, from 9 p.m. – 5 a.m. for bridge foundation, bridge column, and falsework construction, and vegetation removal.
- Residents and motorists should expect intermittent daytime construction noise, flagging operations, and reduced lane widths along **Manchester Avenue** at **I-5** from Monday, January 18, through Friday, January 22, from 7 a.m. – 5 p.m. for bridge foundation, bridge column, and falsework construction.
- Residents and businesses should expect intermittent daytime construction noise along **I-5** between **Lomas Santa Fe Drive** in Solana Beach and **Palomar Airport Road** in Carlsbad from Monday, January 18, through Friday, January 22, from 7 a.m. – 5 p.m. for roadway excavation, earthwork hauling and placement, embankment construction, roadway demolition, roadway paving, barrier rail installation, median irrigation and planting installation, and drainage, electrical, and irrigation installation.

LAGOON/BIKE/PEDESTRIAN

- Residents and businesses along **N. Rios Avenue** in Solana Beach and **Manchester Avenue** in Encinitas can expect an increase in vehicle and equipment traffic as well as general vehicle noise and back-up alarms from Monday, January 18, through Friday, January 22, from 7 a.m. – 5 p.m. for transport and hauling of dirt, equipment, plants, and other materials to and from the San Elijo Lagoon.
- To view current San Elijo Lagoon trail closures please visit thenaturecollective.org/trails. For information on the San Elijo Lagoon Restoration project, please visit thenaturecollective.org/project/san-elijo-lagoon-restoration.
