2016

Construction Advisory

Overnight Closures of I-5 at Genesee Avenue the Week of November 14

Closures

Motorists should be advised that intermittent overnight closures of all lanes on Interstate 5 (I-5) at Genesee Avenue will occur Monday - Thursday, November 14 – 17, from 11 p.m. to 5 a.m. Please note, only one direction of the freeway will be closed at a time. These closures will allow the construction crews to install falsework, which are temporary wood forms used to support the foundation of the new I-5/Genesee Avenue Bridge.

Please view our online list [here](#) for details on the direction and timeframe of the closures.

Detours

During the partial closure of northbound I-5 lanes at La Jolla Village Drive overnight on November 14, motorists will be detoured to La Jolla Village Drive.

During partial freeway closures on November 15 - 17, motorists will be detoured at the interchange to the Genesee Avenue off-ramp and re-enter using the on-ramp across the intersection. Signs will be placed to alert motorists in advance.

Delays are expected. Motorists and people on bikes are advised to plan their travel accordingly and avoid the area if possible. Access for emergency vehicles will be maintained. Pedestrian access on Genesee Avenue is closed during construction.

Access real-time traffic info through any of these resources: [511SD](#), [Caltrans QuickMap](#), [WAZE](#), [Google Maps](#), or [Shift San Diego](#). Please note: construction

schedules are subject to change. We appreciate your patience as we work to improve the interchange.

Additional Closures

View a detailed list of planned closures and associated detours here or visit: [KeepSanDiegoMoving.com/Genesee](#). Please note construction schedules are subject to change.

About the Project

The \$105 million project will replace the existing six-lane Genesee Avenue overpass with a ten-lane structure that will include additional vehicle lanes, new bike lanes and sidewalks, and better accommodate current and future traffic demands in the San Diego region. The I-5/Genesee Avenue Interchange Project is expected to be completed in 2017.
