

Upcoming Northbound I-5 Off-Ramp Closure to La Costa Avenue

On Friday, February 5, Caltrans and SANDAG Build NCC crews will conduct a planned Interstate 5 (I-5) weekend ramp closure in the City of Encinitas. Weekend on- and off-ramp closures allow crews to realign interchange ramps to accommodate two new Carpool/High Occupancy Vehicle (HOV) Lanes, one in each direction on I-5.

The ramp closure will **begin Friday, February 5, at 9 p.m., and reopen on Monday, February 8, at 5 a.m.** at the **northbound I-5 off-ramp to La Costa Avenue**. Detour signage will be in place to guide motorists around this closure via northbound I-5 to Poinsettia Lane.

During the next year, approximately 18 weekend ramp closures will continue in Encinitas and Carlsbad as part of I-5 Carpool/HOV Lane construction between Birmingham Drive and Palomar Airport Road. Weekend ramp closures are scheduled at the following cross streets:

- Birmingham Drive
- Santa Fe Drive
- Encinitas Boulevard
- Leucadia Boulevard
- La Costa Avenue
- Poinsettia Lane
- Palomar Airport Road

The weekend ramp closure reduces long-term construction impacts to immediate surrounding neighborhoods and businesses, allowing crews to safely and continuously complete ramp realignment work.

Nearby residents and businesses can expect **daytime and overnight construction noise and lights, including [OSHA required vehicle back-up alarms](#)**. Crews will work to minimize noise and impacts to all nearby communities, and motorists will be detoured with signage and traffic controls.

To receive up-to-date weekend ramp closures notifications and detour routes, visit KeepSanDiegoMoving.com/BuildNCC. To receive construction updates by text message, text “**BuildNCC**” to **313131**. Thank you for your patience during construction!
