SANDAG

The list below shows planned closures and detours as part of highway, rail, bike, pedestrian, and lagoon improvement projects. Detour signs will be placed, as needed, to assist motorists through closures. Please note, these closures are subject to change.

Week of August 29

HIGHWAY/BIKE/PEDESTRIAN

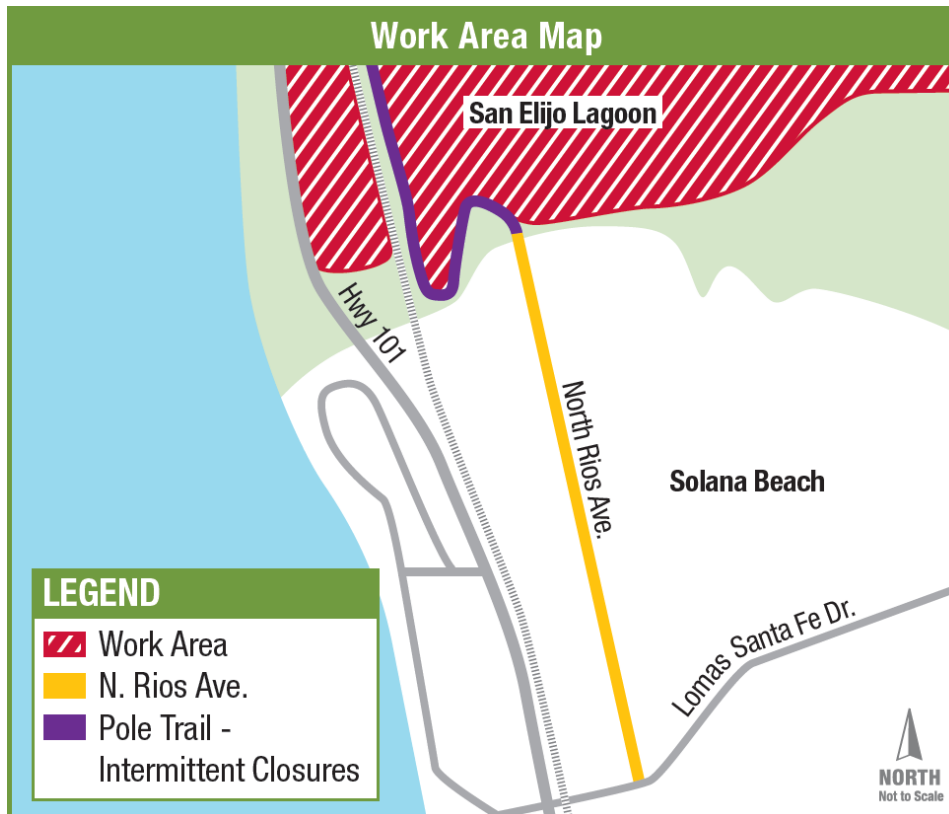

- Residents and motorists should expect intermittent nighttime construction noise, lane closures, and ramp closures along **I-5** between **Lomas Santa Fe Drive** in Solana Beach and **Palomar Airport Road** in Carlsbad from Sunday, August 29, through Thursday, September 2, from 9 p.m. – 5 a.m. for roadway excavation, roadway restriping, k-rail placement, earthwork hauling and placement, landscape and irrigation, concrete pouring, utility installation, and maintenance.
- Residents and motorists should expect intermittent nighttime construction noise, lane closures, and ramp closures along **Manchester Avenue** at **I-5** from Sunday, August 29, through Thursday, September 2, from 9 p.m. – 5 a.m. for sewer line work, pothole patching, bridge foundation, and bridge column work.

- Residents and businesses should expect intermittent daytime construction noise along **I-5** between **Lomas Santa Fe Drive** in Solana Beach and **Palomar Airport Road** in Carlsbad from Monday, August 30, through Friday, September 3, from 7 a.m. – 5 p.m. for roadway excavation, roadway paving, earthwork hauling and placement, drainage and electrical infrastructure installation, and embankment construction.
- Residents and motorists should expect intermittent daytime construction noise, flagging operations, and reduced lane widths along **Manchester Avenue** at **I-5** from Monday, August 30, through Friday, September 3, from 7 a.m. – 5 p.m. for roadway work, roadway excavation, pedestrian bridge foundation and bridge column work, manhole maintenance, and utility installation.

LAGOON

- Residents and businesses along **N. Rios Avenue** in Solana Beach and **Manchester Avenue** in Encinitas can expect an increase in vehicle and equipment traffic as well as general vehicle noise and back-up alarms from Monday, August 30, through Friday, September 3, from 7 a.m. – 5 p.m. for transport and hauling of soil, equipment, plants, and other materials to and from the San Elijo Lagoon.
