

The list below shows planned closures and detours as part of highway, rail, bike, pedestrian, and lagoon improvement projects. Detour signs will be placed, as needed, to assist motorists through closures. Please note, these closures are subject to change.

Please note, there will be no construction activity on **Monday, February 18, due to the President's Day holiday.*

Week of February 17

HIGHWAY

- Motorists should expect intermittent lane and ramp closures along Interstate 5 (I-5) between Lomas Santa Fe Drive and Palomar Airport Road from Tuesday, February 19, through Thursday, February 21, from 9 p.m. – 5 a.m. for clearing and grubbing of oleander from the median and concrete lane paving work.
- Motorists should expect intermittent ramp closures, lane closures, flagging operations, and reduced lane widths along Manchester Avenue, Birmingham Drive, La Costa Avenue, Encinitas Boulevard, and Santa Fe Drive at I-5 from Tuesday, February 19, through Thursday, February 21, from 9 p.m. – 5 a.m. for bridge, road, bike/pedestrian, and retaining wall work.
- Motorists should expect intermittent flagging operations and reduced lane widths along Manchester Avenue, Encinitas Boulevard, and Santa Fe Drive at I-5 from Tuesday, February 19, through Friday, February 22, from 7 a.m. – 5 p.m. for bridge, road, bike/pedestrian, and retaining wall work.

RAIL

- Residents and businesses near San Elijo Avenue, Coast Highway 101, and Chesterfield Drive, just north of the San Elijo Lagoon in Cardiff-by-the-Sea, can expect intermittent daytime construction noise and dust from Tuesday, February 19, through Friday, February 22, from 7 a.m. – 5 p.m. for continued work on the rail line and new rail bridge.

LAGOON/BIKE/PEDESTRIAN

- Residents and businesses near San Elijo Avenue, between Chesterfield Drive and Santa Fe Drive, in Cardiff-by-the-Sea, can expect intermittent daytime construction noise, flagging, lane closures, and traffic delays from Tuesday, February 19, through Friday, February 22, from 7 a.m. – 5 p.m., for continued work on the Coastal Rail Trail bikeway.
- Motorists and businesses near Coast Highway 101 near the San Elijo Lagoon inlet in Cardiff-by-the-Sea can expect intermittent daytime construction noise, narrowed lanes, and/or controlled traffic flagging operations from Tuesday, February 19, through Friday, February 22, from 7 a.m. – 5 p.m. for rock slope protection work along the west basin of the San Elijo Lagoon as part of the San Elijo Lagoon Restoration Project.
- To view current San Elijo Lagoon trail closures please visit sanelijo.org/trails. For information on the San Elijo Lagoon Restoration, please visit sanelijo.org/revivingwetlands.
