

The list below shows planned closures and detours as part of highway, rail, bike, pedestrian, and lagoon improvement projects. Detour signs will be placed, as needed, to assist motorists through closures. Please note, these closures are subject to change.

Week of February 2

HIGHWAY

- Residents and motorists should expect intermittent nighttime construction noise, lane closures, ramp closures, and rolling traffic breaks administered by California Highway Patrol along **southbound Interstate 5 (I-5)** between **Encinitas Boulevard** and **Via de la Valle** from Sunday, February 2, through Thursday, February 6, from 8 p.m. – 5 a.m. for concrete barrier repositioning, road striping, and shifting of traffic lanes onto the new southbound San Elijo Lagoon highway bridge.
- Residents and motorists should expect intermittent nighttime construction noise, lane closures, and ramp closures along **Interstate 5 (I-5)** between **Lomas Santa Fe Drive** and **Palomar Airport Road** from Sunday, February 2, through Thursday, February 6, from 9 p.m. – 5 a.m. for concrete barrier formation and paving within the median, material hauling, saw-cutting, and vegetation clearing and removal in the outside freeway shoulders.
- Motorists should expect intermittent daytime construction noise, flagging operations, and reduced lane widths along **Manchester Avenue**, **Encinitas Boulevard**, and **Santa Fe Drive** at I-5 from Monday, February 3, through Friday, February 7, from 7 a.m. – 5 p.m. for bridge, road, and bike/pedestrian work.
- Residents and businesses should expect intermittent daytime construction noise along I-5 between **Lomas Santa Fe Drive** in Solana Beach and **Palomar Airport Road** in Carlsbad from Monday, February 3, through Friday, February 7, from 7 a.m. – 5 p.m. for concrete barrier formation and paving within the median, and vegetation clearing and removal in the outside freeway shoulders.

LAGOON/BIKE/PEDESTRIAN

- Residents and businesses along **N. Rios Avenue** in Solana Beach and **Manchester Avenue** in Encinitas can expect an increase in vehicle and equipment traffic as well as general vehicle noise and back-up alarms from Monday, February 3, through Friday, February 7, from 7 a.m. – 5 p.m. for transport and hauling of dirt, equipment, plants, and other materials to and from the San Elijo Lagoon.
