

The list below shows planned closures and detours as part of highway, rail, bike, pedestrian, and lagoon improvement projects. Detour signs will be placed, as needed, to assist motorists through closures. Please note, these closures are subject to change.

Week of March 22

HIGHWAY

- Residents and motorists should expect intermittent nighttime construction noise, lights, and lane closures along **Interstate 5 (I-5)** between **Lomas Santa Fe Drive** and **Birmingham Drive** from Sunday, March 22, through Thursday, March 26, from 9 p.m. – 5 a.m. for San Elijo Lagoon highway bridge demolition and dismantlement.
- Residents and motorists should expect intermittent nighttime construction noise, lane closures, and ramp closures along **I-5** between **Lomas Santa Fe Drive** and **Palomar Airport Road** from Sunday, March 22, through Thursday, March 26, from 9 p.m. – 5 a.m. for concrete barrier formation and paving within the median, material hauling, and vegetation clearing and removal in the outside freeway shoulders.
- Motorists should expect intermittent daytime construction noise, flagging operations, and reduced lane widths along **Manchester Avenue, Encinitas Boulevard, and Santa Fe Drive** at I-5 from Monday, March 23, through Friday, March 27, from 7 a.m. – 5 p.m. for bridge, road, and bike/pedestrian work.
- Residents and businesses should expect intermittent daytime construction noise along **I-5** between **Lomas Santa Fe Drive** in Solana Beach and **Palomar Airport Road** in Carlsbad from Monday, March 23, through Friday, March 27, from 7 a.m. – 5 p.m. for concrete barrier formation and paving within the median, and vegetation clearing and removal in the outside freeway shoulders.

LAGOON/BIKE/PEDESTRIAN

- Residents and businesses along **N. Rios Avenue** in Solana Beach and **Manchester Avenue** in Encinitas can expect an increase in vehicle and equipment traffic as well as general vehicle noise and back-up alarms from Monday, March 23, through Friday, March 27, from 7 a.m. – 5 p.m. for transport and hauling of dirt, equipment, plants, and other materials to and from the San Elijo Lagoon.
