

The list below shows planned closures and detours as part of highway, rail, bike, pedestrian, and lagoon improvement projects. Detour signs will be placed, as needed, to assist motorists through closures. Please note, these closures are subject to change.

Week of March 24

HIGHWAY

- Motorists should expect intermittent lane and ramp closures along Interstate 5 (I-5) between Lomas Santa Fe Drive and Palomar Airport Road from Sunday, March 24, through Thursday, March 28, from 9 p.m. – 5 a.m. for clearing and grubbing of oleander and cable barrier removal from the median.
- Motorists should expect intermittent ramp closures, lane closures, flagging operations, and reduced lane widths along Manchester Avenue, Birmingham Drive, La Costa Avenue, Encinitas Boulevard, and Santa Fe Drive at I-5 from Sunday, March 24, through Thursday, March 28, from 9 p.m. – 5 a.m. for bridge, road, bike/pedestrian, and retaining wall work.
- Motorists should expect intermittent flagging operations and reduced lane widths along Manchester Avenue, Encinitas Boulevard, and Santa Fe Drive at I-5 from Monday, March 25, through Friday, March 29, from 7 a.m. – 5 p.m. for bridge, road, bike/pedestrian, and retaining wall work.

RAIL

- Residents and businesses near San Elijo Avenue, Coast Highway 101, and Chesterfield Drive, just north of the San Elijo Lagoon in Cardiff-by-the-Sea, can expect intermittent daytime construction noise and dust from Monday, March 25, through Friday, March 29, from 7 a.m. – 5 p.m. for continued work on the rail line and new rail bridge.
- Residents and businesses on San Elijo Avenue in Cardiff-by-the-Sea can expect intermittent flagging and daytime construction noise and dust on Monday, March 25, from 7 a.m. – 5 p.m., for street paving and drainage installation.

LAGOON/BIKE/PEDESTRIAN

- Residents and businesses near San Elijo Avenue, between Chesterfield Drive and Santa Fe Drive in Cardiff-by-the-Sea, can expect intermittent daytime construction noise, flagging, lane closures, and traffic delays from Monday, March 25, through Friday, March 29, from 7 a.m. – 5 p.m., for continued work on the Coastal Rail Trail bikeway.
- Motorists and businesses near Coast Highway 101 near the San Elijo Lagoon inlet in Cardiff-by-the-Sea can expect intermittent daytime construction noise, narrowed lanes, and/or controlled traffic flagging operations from Monday, March 25, through Friday, March 29, from 7 a.m. – 5 p.m. for rock slope protection work along the west basin of the San Elijo Lagoon as part of the San Elijo Lagoon Restoration Project.
- Residents on San Elijo Avenue near the main channel of the San Elijo Lagoon's central basin in Cardiff-by-the-Sea can expect equipment noise from ongoing dredging operations from Monday, March 25, through Saturday, March 30, as part of the San Elijo Lagoon Restoration Project.
- To view current San Elijo Lagoon trail closures please visit sanelijo.org/trails. For information on the San Elijo Lagoon Restoration, please visit sanelijo.org/revivingwetlands.
