

The list below shows planned closures and detours as part of highway, rail, bike, pedestrian, and lagoon improvement projects. Detour signs will be placed, as needed, to assist motorists through closures. Please note, these closures are subject to change.

Week of October 13

HIGHWAY

- Residents and motorists should expect intermittent nighttime construction noise, lane closures, and ramp closures along **Interstate 5 (I-5)** between **Lomas Santa Fe Drive** and **Palomar Airport Road** from Sunday, October 13, through Thursday, October 17, from 9 p.m. – 5 a.m. for material hauling and paving within the highway median.
- Residents and motorists should expect intermittent nighttime construction noise and lights, lane closures, flagging operations, and reduced lane widths on **Manchester Avenue, Santa Fe Drive, and Encinitas Boulevard** at I-5 from Sunday, October 13, through Thursday, October 17, from 9 p.m. – 5 a.m. for bridge, road, and bike/pedestrian work.
- Motorists should expect intermittent daytime construction noise, flagging operations, and reduced lane widths along **Manchester Avenue, Encinitas Boulevard, and Santa Fe Drive** at I-5 from Monday, October 14, through Saturday, October 19, from 7 a.m. – 5 p.m. for bridge, road, and bike/pedestrian work.

LAGOON/BIKE/PEDESTRIAN

- Motorists and businesses along **Coast Highway 101** between the San Elijo Lagoon inlet and southern end of the San Elijo Lagoon west basin in Cardiff-by-the-Sea can expect intermittent daytime construction noise, narrowed lanes, and/or controlled traffic flagging operations from Monday, October 14, through Friday, October 18, from 7 a.m. – 5 p.m. for San Elijo Lagoon Restoration Project excavation and habitat formation, and sand placement along the western embankment of the lagoon inlet.
- Residents and businesses along **N. Rios Avenue** in Solana Beach can expect an increase in vehicle and equipment traffic as well as general vehicle noise and back-up alarms from Monday, October 14, through Saturday, October 19, from 7 a.m. – 5 p.m. for transport and hauling of excess dirt, equipment, and other materials to and from the San Elijo Lagoon.
- To view current San Elijo Lagoon trail closures please visit thenaturecollective.org/trails. For information on the San Elijo Lagoon Restoration project, please visit thenaturecollective.org/project/san-elijo-lagoon-restoration.
