

The list below shows planned closures and detours as part of highway, rail, bike, pedestrian, and lagoon improvement projects. Detour signs will be placed, as needed, to assist motorists through closures. Please note, these closures are subject to change.

Please note, there will be no construction activity on **Monday, September 2, due to the Labor Day holiday.*

Week of September 1

HIGHWAY

- Residents and motorists should expect intermittent nighttime construction noise, lane closures, and ramp closures along **Interstate 5 (I-5)** between **Lomas Santa Fe Drive** and **Palomar Airport Road** from Tuesday, September 3, through Thursday, September 5, from 9 p.m. – 5 a.m. for electrical installation, drainage installation, and paving within the highway median.
- Residents and motorists should expect intermittent nighttime construction noise and lights, lane closures, flagging operations, and reduced lane widths on **Manchester Avenue, Santa Fe Drive, and Encinitas Boulevard** at I-5 from Tuesday, September 3, through Thursday, September 5, from 9 p.m. – 5 a.m. for bridge, road, and bike/pedestrian work.
- Motorists should expect intermittent daytime construction noise, flagging operations, and reduced lane widths along **Manchester Avenue, Encinitas Boulevard, and Santa Fe Drive** at I-5 from Tuesday, September 3, through Friday, September 6, from 7 a.m. – 5 p.m. for bridge, road, and bike/pedestrian work.

RAIL

- Residents and businesses near **San Elijo Avenue, Coast Highway 101, and Chesterfield Drive**, just north of the San Elijo Lagoon in Cardiff-by-the-Sea, can expect intermittent daytime construction noise from Tuesday, September 3, through Friday, September 6, from 7 a.m. – 5 p.m. for revegetation.

LAGOON/BIKE/PEDESTRIAN

- Residents and businesses near **San Elijo Avenue**, between **Chesterfield Drive** and **Santa Fe Drive** in Cardiff-by-the-Sea, can expect intermittent daytime construction from Tuesday, September 3, through Friday, September 6, from 7 a.m. – 5 p.m., for revegetation on the Coastal Rail Trail bikeway.
- As part of the San Elijo Lagoon Restoration Project, motorists and businesses along **Coast Highway 101** between the San Elijo Lagoon inlet and southern end of the San Elijo Lagoon west basin in Cardiff-by-the-Sea can expect intermittent daytime construction noise, narrowed lanes, and/or controlled traffic flagging operations from Tuesday, September 3, through Friday, September 6, from 7 a.m. – 5 p.m. for sand placement along the western embankment of the lagoon inlet above rock slope protected areas.
- To view current San Elijo Lagoon trail closures please visit thenaturecollective.org/trails. For information on the San Elijo Lagoon Restoration project, please visit thenaturecollective.org/project/san-elijo-lagoon-restoration.
