

# SR 76 East Segment Project

## Construction Advisory #38

### Expect Delays Tuesday, March 8: Old Highway 395 and SR 76 Intersection

On Tuesday, March 8, Caltrans will close SR 76 at the intersection of Old Highway 395 at 11 a.m. for approximately one hour, so crews can conduct minor rock blasting work to improve the highway.

During the blasting activity, Caltrans will establish a safety perimeter at Old Highway 395.

The blasting will create a brief but loud sound and vibrations in the area. Please plan your travel accordingly.

The blasting schedule is subject to change due to weather conditions.
