

SR 76 East Segment Project Construction Advisory #39

Temporary Road Closure March 31: Via Monserate at SR 76

Via Monserate at SR 76 will be closed on Thursday, March 31, beginning at 9 a.m., and will reopen to traffic at 5 p.m. the same day. This closure will allow crews to conduct sewer line work on Via Monserate.

To access Via Monserate during this time, please use the Ramona Drive detour shown on the map. Motorists are urged to budget extra time for their commute.

This schedule is subject to change due to weather conditions. We appreciate your patience as we complete improvements.

This work on the SR 76 East Segment is the last in a series of transportation improvements in the corridor, funded in part by the *TransNet* regional half-cent sales tax.
