

# Notice of Public Scoping Meeting for State Route 94 HOV/BRT Lanes Project

**WHAT'S BEING PLANNED?** The California Department of Transportation (Caltrans) will be the lead agency for a project proposing to evaluate design alternatives for improvements to State Route 94 (SR-94) between Interstate 805 (I-805) and Interstate 5 (I-5) in the southeastern region of the City of San Diego. The proposed action includes the addition of one dedicated high occupancy vehicle/bus rapid transit (HOV/BRT) lane in each direction within the median of SR-94, and would modify interchanges, connectors and bridge overcrossings in the project corridor. Retaining/sound walls would be added, and new right-of-way and drainage modifications would be required.

**WHY THIS AD?** Caltrans has initiated the required environmental documentation process and will prepare an Environmental Impact Report/Environmental Impact Statement (EIR/EIS) to analyze potential effects the proposed project alternatives may have on the environment. This notice is to inform you of the scheduled public scoping meeting for this project. The scoping meeting will provide you an opportunity to review and discuss the proposed project features. Caltrans will consider substantive comments provided in the development of the Draft EIR/EIS.

## SCOPING MEETING

**TIME:** Wednesday, January 12, 2011  
5:00 to 8:00 pm

**PLACE:** Sherman Heights Community Center  
2258 Island Avenue, San Diego, CA 92102

## ABOUT THE PUBLIC SCOPING

**MEETING:** Caltrans will be hosting an open house style scoping meeting. You may attend the meeting anytime between the hours of 5 and 8 p.m. as there will be no formal presentation. A short video will be

shown on a rotating basis to provide an overview of the project. The public will then have the opportunity to speak directly with Caltrans representatives about the project and its potential environmental impacts. Meeting attendees will have the opportunity to review a project fact sheet, aerial photographs and other project information.

**WHERE YOU COME IN:** Comments may be submitted at the scoping meeting by completing a written comment form or by providing an oral comment to a court reporter. Spanish-speaking interpreters will be available at the scoping meeting and all comments received in Spanish will be accepted and translated. All comments will become part of the public record. Individuals who require special accommodation (American Sign Language interpreter, accessible seating, documentation in alternative formats, etc.) are requested to contact the District 11 Public Information Office at 619-688-6670 at least 10 days prior to the scheduled meeting date. TTY users may contact the California Relay Service TTY line at 711.

**CONTACT:** For more information about this project, please contact **Ron Caraat, Project Manager**, at (619) 220-5391 or go to <http://www.keepsandiegomoving.com> on the internet. For general information about transportation issues, please call Caltrans' Public Information Office at (619) 688-6670.
