Notice of Preparation - Environmental Impact Report for the South Bay Bus Rapid Transit (BRT) Project

The San Diego Association of Governments (SANDAG) will be the Lead Agency and will prepare an Environmental Impact Report in accordance with the California Environmental Quality Act (CEQA) for the South Bay Bus Rapid Transit (BRT) Project. SANDAG would like to know your views or the views of your agency as to the scope and content of the environmental information that will be addressed in the EIR. Due to the time limits mandated by state law, your response must be sent at the earliest possible date, but no later than 30 days after the date of this notice. Written and oral comments will also be taken at the public scoping meeting listed below. The planned South Bay BRT project is a 21-mile, rapid reliable, high-frequency transit service between the Otay Mesa Port of Entry and downtown San Diego via eastern Chula Vista. The proposed BRT project is projected to be in service in 2014. SANDAG will be soliciting input on alternatives to the proposed routing at a public scoping meeting scheduled at the following time and location:

When: Wednesday, April 28 from 4:00 p.m. to 8:00 p.m.

Where: Heritage Elementary School
1450 Santa Lucia Road, Chula Vista, CA 91910
