

Rapid

South Bay Rapid is Under Construction

East Palomar Street and Davies Drive Traffic Signal Work Planned

South Bay *Rapid* crews will be conducting traffic signal work at the East Palomar Street and Davies Drive intersection **on Thursday, December 12, between the hours of 8:30 a.m. and 2:30 p.m.** Motorists are **advised that during this time the intersection will operate as a four-way stop.** All access will be **maintained.** Flaggers will direct motorists and pedestrians to ensure a safe flow of traffic. Travelers will be notified by advanced signage and stop signs.

Travelers, businesses, and nearby residents can expect intermittent noise (including OSHA-required back up alarms) throughout the day, as crews complete this work.

All reasonable steps will be taken to minimize impacts to nearby residents, businesses, and travelers. We appreciate your patience during construction. Please note, construction schedules are subject to change.

Construction on the South Bay *Rapid* dedicated guideway is anticipated to be complete by the end of 2019. Landscaping and irrigation activities will continue into February 2020.
