

South Bay

Rapid

South Bay Rapid is Under Construction

The list below shows planned construction activities for the South Bay *Rapid* project. Travelers are encouraged to allow extra time to reach their destination or consider using alternate routes. Please note, construction schedules are subject to change and community members may see trucks and staged equipment at various locations around the project.

CONSTRUCTION ADVISORY: Construction of the dedicated transit guideway on East Palomar Street between Heritage Road and Paseo Ladera has begun. Motorists can expect reduced lane widths, lane closures, restricted turn lanes, and traffic control in the area. Motorists are encouraged to give themselves more time and anticipate traffic delays or consider taking an alternate route to reach their destination. This work is expected to continue through spring 2019.

Construction activities for the week of January 14

Corridor-Wide Safety Information

Nearby residents and motorists can expect to see not in service MTS buses traveling the route beginning January 15 for training purposes. Training activities will take place until the full service launch of the South Bay *Rapid* on Sunday, January 27. Please be aware that pedestrians should adhere to designated sidewalks and refrain from entering the guideway. Motorists should obey all traffic signs and never enter the guideway.

I-805 to Heritage Road (Segment 1A) – City of Chula Vista
