

The list below shows planned construction activities for the South Bay *Rapid* project. Travelers are encouraged to allow extra time to reach their destination or consider using alternate routes. Please note, construction schedules are subject to change.

## **Construction activities for the week of May 8**

### **Heritage Road to Olympic Parkway**

- Periodic lane closures in both directions and reduced on-street parking along East Palomar Street between Olympic Parkway and Heritage Road for transit guideway construction
- Periodic noise and dust possible along East Palomar Street between Santa Andrea Street and Santa Rita as crews continue construction of the Heritage *Rapid* Station
- Periodic noise and intermittent sidewalk closures along the south side of East Palomar Street between Santa Delphina and Santa Alicia avenues for installation of stormwater basin
  - Residents should expect noise on Wednesday, May 10, from 7 a.m. to 12 p.m.
- Crosswalk closure at the intersection of East Palomar Street and Santa Alicia Avenue for construction of a new crosswalk ramp
- At least one lane will remain open in each direction at all times

### **Magdalena Avenue to State Route 125 (SR 125)**

- Periodic construction noise and dust possible near Magdalena Avenue and East Palomar Street as crews install falsework
- Periodic lane closures along northbound and southbound SR 125 between Olympic Parkway and Birch Road to accommodate construction of the transit guideway bridge

### **Town Center Drive to Birch Road**

- Periodic noise and dust near the Otay Ranch Town Center for installation of utilities for this portion of the dedicated transit guideway
