

The list below shows planned construction activities for the South Bay *Rapid* project. Travelers are encouraged to allow extra time to reach their destination or consider using alternate routes. Please note, construction schedules are subject to change.

Construction activities for the week of May 29

Heritage Road to Olympic Parkway

- Periodic lane closures and reduced on-street parking in both directions along East Palomar Street between Santa Flora and Heritage roads for construction of the transit guideway
- Periodic noise and dust possible along East Palomar Street between Santa Andrea Street and Heritage Road as crews continue construction of the Heritage *Rapid* Station
- Sidewalk closure along the south side of East Palomar Street between Santa Delphina Avenue and Santa Flora Road as crews continue installation of a stormwater detention basin
- At least one lane will remain open in each direction at all times

Magdalena Avenue to State Route 125 (SR 125)

- Periodic construction noise and dust possible near Impressionist Drive as crews continue installation of falsework and construct retaining walls for installation of privacy walls
- Periodic lane closures along northbound and southbound SR 125 between Olympic Parkway and Birch Road to accommodate construction of transit guideway bridge

Town Center Drive to Birch Road

- Periodic noise, dust, and lane closures near the Otay Ranch Town Center as crews install utilities
 - At least one lane will remain open in each direction at all times
- Closure of the northwest corner of Mall Ring Road at the Otay Ranch Town Center from Tuesday, May 30, until Friday, June 23, for utility improvements
