

South Bay

Rapid

Have you tried out the new South Bay *Rapid* bus service yet? This new, fast and convenient transit choice offers service every 30 minutes from the Otay Mesa Port of Entry to Downtown San Diego. Check out the [new route map and schedule](#) or use the [Trip Planner](#) to simplify your commute!

The list below shows planned construction activities for the South Bay *Rapid* project. Please note, construction schedules are subject to change and community members may see trucks and staged equipment at various locations around the project.

Construction along East Palomar Street between Heritage Road and Paseo Ladera is expected to continue through mid-2020. Motorists can expect reduced lane widths, lane closures, restricted turn lanes, and traffic control in the area. Motorists are encouraged to give themselves more time and anticipate traffic delays or consider taking an alternate route to reach their destination.

Construction activities for the week of August 24

I-805 to Heritage Road (Segment 1A) – City of Chula Vista

- MTS started using the dedicated transit guideway for the South Bay *Rapid* Route 225 service on Tuesday, June 16. Regular MTS buses will continue to use the general purpose lanes for Route 712 and Route 704.
- Closure of single lane on westbound East Palomar Street from Heritage Road to Santa Olivia Drive.
- The outside lane, including the bicycle lane, will be closed on eastbound East Palomar Street between Heritage Road and Paseo Ladera for landscape work in the parkways. A single lane will be available for motorists and cyclists.
- On Monday, August 24, the traffic signals at the intersections of Santa Maria/Santa Sierra drives and Santa Olivia/Santa Carina roads on East Palomar Street will remain on red light flash temporarily.
- On Tuesday, August 25, the traffic signals at the intersections of Santa Maria/Santa Sierra drives and Santa Olivia/Santa Carina roads on East Palomar Street will return to normal operations.

Town Center Drive to Birch Road (Segment 2) – City of Chula Vista

- Periodic maintenance throughout the area can be expected.

Nicola Tesla Court (Segment 3) – City of San Diego

- Construction has been completed.

CORRIDOR-WIDE SAFETY MESSAGE: Nearby residents and motorists can expect MTS buses traveling within the dedicated transit guideway daily. No private vehicles of any kind should ever enter the guideway or guideway bridge. The guideway is reserved only for MTS vehicles and, in rare circumstances, emergency medical services. Additionally, pedestrians should never walk in the guideway and must stay on designated sidewalks at all times. The guideway is a very important component to the Rapid system and is not intended for the public to use when not traveling via a Rapid bus. As a reminder, violators will be fined and/or receive a citation if cited by law enforcement. For the safety of motorists, pedestrians, and commuters alike, we kindly ask for your cooperation. Stay safe, stay out.
