## South Bay Rapid is Under Construction

The list below shows planned construction activities for the South Bay *Rapid* project. Travelers are encouraged to allow extra time to reach their destination or consider using alternate routes. Please note, construction schedules are subject to change and community members may see trucks and staged equipment at various locations around the project.

**CONSTRUCTION ADVISORY:** Construction of the dedicated transit guideway on East Palomar Street between Heritage Road and Paseo Ladera is underway. Motorists can expect reduced lane widths, lane closures, restricted turn lanes, and traffic control in the area. Motorists are encouraged to give themselves more time and anticipate traffic delays or consider taking an alternate route to reach their destination. This work is expected to continue through late 2019.

**CORRIDOR-WIDE SAFETY MESSAGE:** Full service of the South Bay *Rapid* began on January 27. Nearby residents and motorists can expect MTS buses traveling the route and within the guideway daily. No private vehicles of any kind should ever enter the guideway or guideway bridge. The guideway is reserved only for MTS vehicles and, in rare circumstances, emergency medical services. Additionally, pedestrians should never walk in the guideway and must stay on designated sidewalks at all times. The guideway is a very important component to the *Rapid* system and is not intended for the public to use when not traveling via a *Rapid* bus. As a reminder, violators will be fined and/or receive a citation if cited by law enforcement. For the safety of motorists, pedestrians, and commuters alike, we kindly ask for your cooperation. Stay safe, stay out.
