

South Bay

Rapid

Construction Notice

Night Work Planned May 23-24

Residents can expect intermittent noise and lights Wednesday, May 23, and Thursday, May 24, from 9 p.m. to 5 a.m., as crews perform sandblasting on the transit guideway bridge. To accommodate construction, the South Bay Expressway (SBX) will be closed between Birch Road and Olympic Parkway in the southbound direction on May 23 and in the northbound direction on May 24. Please see the map below for detour routes during the closures.
