Feedback

Bicycling in North Park & Mid-City: Vision and Goals

Planning Approach

Everyday People, Everyday Trips

Great Streets for Everyone

Urban Advantage

Palm Avenue
Imperial Beach, CA

Great Streets for Everyone

Marshall Avenue at the El Cajon Transit Center
El Cajon, CA

Best Practices and Innovation

Bicycling in North Park and Mid-City: Vision and Goals

Initial Outreach Findings: Draft Goals

Preliminary Draft Project Goals

- Provide a safe, efficient and attractive bicycling environment
- Improve access to destinations – schools, transit, commercial centers
- Enhance the pedestrian experience
- Build on community planning efforts
- Support place-making and economic vitality

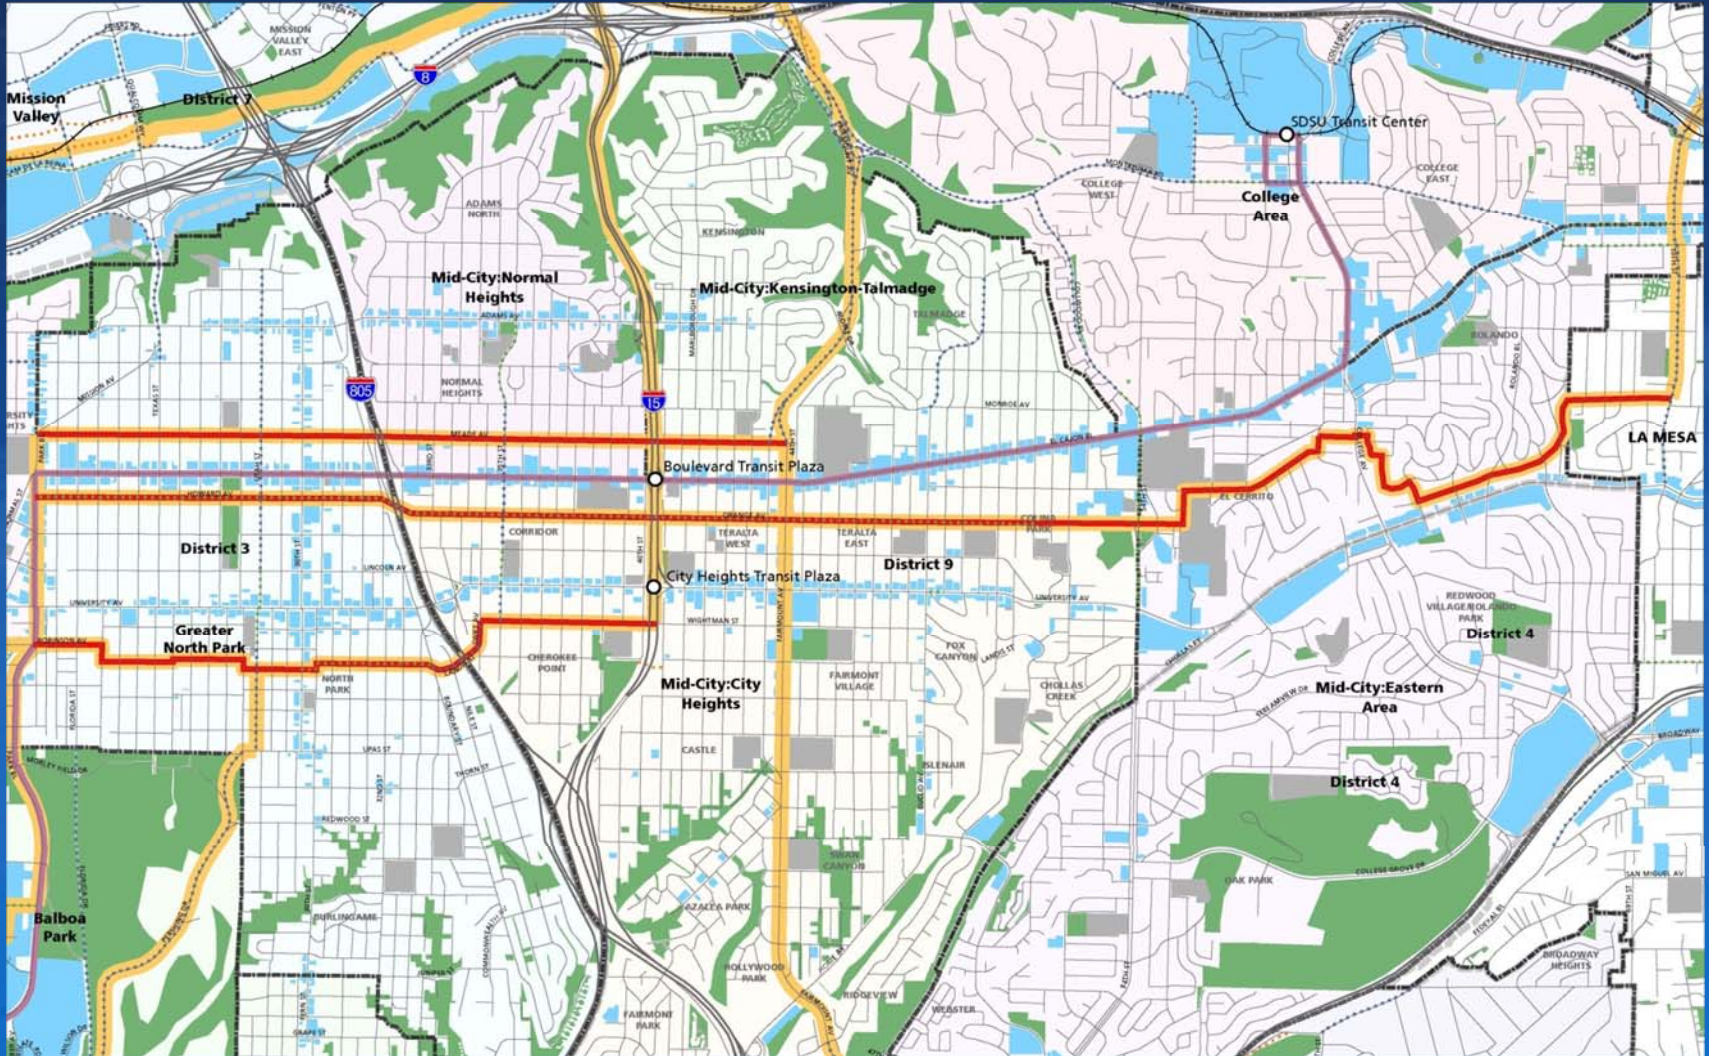

Discussion: Vision and Goals

- *What is your **vision** for improving how people travel around the community?*
- *How can this project help your community achieve its goals?*

North Park – Mid-City Corridors: Issues and Opportunities

*Corridors Review - Initial Input

Discussion: Issues and Opportunities

Meade Ave Corridor

- *What are some of the opportunities along and near Meade Avenue?*
- *What are some the issues?*
- *What might be some alternative routes to Meade Avenue?*

Discussion: Issues and Opportunities

Howard/Orange Ave Corridor

- *What are some of the opportunities along and near the Howard/Orange corridor?*
- *What are some the issues?*
- *What might be some alternative routes to this corridor?*

Discussion: Issues and Opportunities

Landis St Corridor

- *What are some of the opportunities along and near the Landis St corridor?*
- *What are some the issues?*
- *What might be some alternative routes to this corridor?*
