

CONSTRUCTION ADVISORY

Trolley Station Construction & Detours

Downtown San Diego: C Street Trolley Track Work

January 2014

Renovation work on trolley track located at the intersection of 10th Avenue and C Street is scheduled from **January 27 through January 31, 2014**. Some noise and dust is anticipated during construction. Lane closures will be in effect while this work is in progress. Crews will minimize impacts to neighboring residents and businesses as much as possible. We appreciate your patience as we work to improve the trolley system.

Work hours are 9 p.m. to 5 a.m.

Please use **extra caution** when traveling near the construction site.

The Trolley Renewal Project

The Trolley Renewal Project is a joint project of the San Diego Association of Governments (SANDAG) and the San Diego Metropolitan Transit System (MTS). Once complete, new low-floor Trolleys will operate throughout the system. All stations will be equipped with next-arrival signs, new shelters, and seating. The end result will be easier access, quicker trips, a more comfortable ride, and an enhanced transit experience. This work is part of a \$660 million project to renew the entire MTS Trolley network. Funding for the project was provided by TransNet, the regional half-cent sales tax for transportation administered by SANDAG; California Proposition 1A and 1B; and the American Recovery and Reinvestment Act of 2009.
