Trolley Station  
**Temporary Closure**  
August–mid-October 2012

Trolley access will be available at the **Santa Fe Depot** and **Middletown Stations** during the closure.

**All construction is anticipated for completion prior to the Little Italy FESTA! on Oct. 14.**

*This work is part of a \$720 million project to renew the entire MTS Trolley network. Once complete, new low-floor Trolleys will operate throughout the system. Beginning in September, the Green Line will be extended through Old Town to downtown and terminate at 12th & Imperial via bayside stations (Seaport Village, Convention Center and Gaslamp Quarter). This will provide one-seat service from Santee through Mission Valley to Gaslamp Quarter, including service to the County Center/Little Italy Station. All stations will be equipped with next-arrival signs, new shelters and seating. The end result will be easier access, quicker trips, a more comfortable ride, and an enhanced transit experience.*
