

Palomar Street Trolley Station Closure

Friday, May 16, at 7 p.m. through Monday, May 19, at 4 a.m.

Dear Blue Line Trolley Stakeholders,

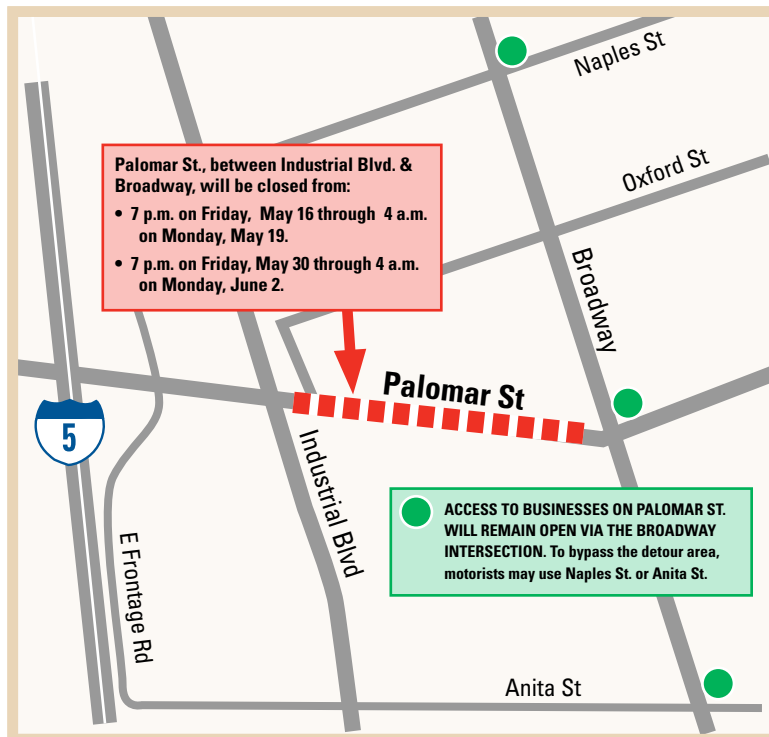

You may have received a call or e-mail from the Trolley Renewal project team regarding the upcoming Palomar St. closure, between the Industrial Blvd. intersection and Broadway intersection. To clarify, Palomar St. will be closed at the Industrial Blvd. intersection, however the Broadway intersection will remain open. Through traffic will not be allowed at Broadway, but access to businesses via the Broadway and Palomar St. intersection will remain open. We apologize for any confusion.

As a reminder, this street closure at Palomar St. and Industrial Blvd. begins this **Friday, May 16, at 7 p.m. through Monday, May 19, at 4 a.m.**, due to grade crossing replacement work. Please plan to take alternate routes during this time, and follow the detour signs. Motorists exiting I-5 will be directed to use either Anita Street or Naples Street to access Broadway. The street will reopen at 4 a.m. on Monday, May 19.

A second street closure at the same intersection is scheduled the weekend of **Friday, May 30 at 7 p.m. through Monday, June 2, at 4 a.m.** The intersection will reopen on Monday, June 2, at 4 a.m.
