## San Dieguito Double Track and **Special Events Platform Project Scoping Meeting**

**January 22, 2013** 

**COMMENT SLIP** 

PLEASE PRINT CLEARLY

| Name                                                                                             | Date |
|--------------------------------------------------------------------------------------------------|------|
| Address                                                                                          |      |
| Phone Email                                                                                      |      |
| I would like to receive project updates via email. $\square$ Yes $\square$ No                    |      |
| I would like the following comments to be considered in the evironmental review of this project. |      |
|                                                                                                  |      |
|                                                                                                  |      |
|                                                                                                  |      |
|                                                                                                  |      |
|                                                                                                  |      |
|                                                                                                  |      |
|                                                                                                  |      |
|                                                                                                  |      |
|                                                                                                  |      |
|                                                                                                  |      |
|                                                                                                  |      |
|                                                                                                  |      |
|                                                                                                  |      |
